Fall 2024

Greetings honored Guardian Trainee,

Welcome to this — the next profound step you are taking to become a more fully actualized Guardian. The questions in this application are designed to help you gain more clarity in your decision-making process. As you prepare to participate in an intensely rigorous Guardian Training, it is vital that you take this step consciously and deliberately. We encourage you to put your whole self into it by carefully reflecting on each question, and each answer. It could make the difference between whether you are able to come as an empty bowl—open and engaged—or whether your bowl is too full to leave you the room to freely explore, learn, and grow.

Upon receipt and review of your completed application, with tuition deposit, we will mail you the Acceptance Packet, which contains detailed guidelines for the Training.

If you are applying for the Elite Level Training, please email training@teachingdrum.org to set up an interview to further determine your eligibility. This conversation is scheduled after we receive your initial deposit. If you are not accepted for the Elite Level Training, you will receive a full tuition refund.

For the Elite Level Training, you get additional guidance for your physical, mental, and emotional preparation. If you find that the guidelines resonate with you and support your reasons for participating, please sign and mail (or scan and e-mail) the acceptance agreement back to the School at your earliest convenience, as the course is filled on a first-come, first-served basis.

The First Level At-Home Training is conducted via e-group and periodic zoom meetings. They serve as a forum for communication, training, and guidance. For those reasons, it is vital that you have daily (or close to daily) internet access. You receive an invitation to join the e-group as soon as you are accepted for the Training. Let us know **right away** if you experience problems joining the group. Once everyone is on board, we post instructions on how to proceed.

Please be sure to complete all necessary personal preparations before the Training begins. Remember that *only actions speak* and that *giving is receiving*—you will gain from this experience to the extent of your commitment, dedication, and participation.

Post any questions you have on the e-group, so that other Trainees can also benefit from the discussion. For questions prior to e-group setup, feel free to contact us at 715-546-2944 or training@teachingdrum.org.

Embrace this step as though it is the only step, and you will excel!

Your Guides,

Tamarack, Lety, and OdeMakwa

TUITION POLICY

Call of the Shadow Wolf

Tuition: \$2,500/\$6000/\$8000

- \$500 deposit due with application (non-refundable)
- \$2000 due 30 days after deposit.
- Remaining tuition due April 15th 2025
- If you apply 30 days or less before the beginning of the course, tuition is due in full with application.

In order to be fully present and not have financial distractions during the Training, tuition deadlines must be met before the Training begins. If you anticipate difficulties meeting this requirement, please call us immediately.

We have a No-Tuition Reimbursement Policy

The reason for that is when people feel challenged beyond their comfort zones, the possibility of a tuition reimbursement can be a tempting excuse for dropping out rather than facing and learning from what comes up. That short-circuits their purpose for participating in the Training: their self-development, and their ability to better serve their people and caretake our Mother Earth.
